A wireframe diagram of a web page layout. The layout is divided into three main sections: a header, a main content area, and a sidebar. The header is a single horizontal bar at the top. The main content area is a large rectangle below the header, containing a title 'Some Title' followed by eight lines of placeholder text. The sidebar is a vertical rectangle on the right side of the main content area, containing a title 'Some Title' followed by six lines of placeholder text. All text is represented by grayed-out placeholder characters. The entire wireframe is set against a light gray background.
